

Flower of Scotland Lyrics

Please join with us and sing Flower of Scotland
in the main arena during the Opening Events
from 12 noon.

**1st
verse**

O flower of scotland
When will we see
Your like again,
That fought and died for
Your wee bit hill and glen
And stood against him
Proud edward's army,
And sent him homeward
Tae think again.

**3rd
verse**

Those days are past now
And in the past
they must remain
But we can still rise now
And be the nation again
That stood against him
Proud edward's army
And sent him homeward,
Tae think again.

Emer on her own no pipes

Emer pipes and EVERYONE

**2nd
verse**

O flower of scotland
When will we see
Your like again,
That fought and died for
Your wee bit hill and glen
And stood against him
Proud edward's army,
And sent him homeward
Tae think again.

**4th
verse**

O flower of scotland
When will we see
Your like again,
That fought and died for
Your wee bit hill and glen
And stood against him
Proud edward's army,
And sent him homeward
Tae think again.

Emer pipes and EVERYONE

Emer pipes and EVERYONE
